

Hello My name is XXXXX I'm XX years old.I have more than five years of experience in designing ,
apparel for both small and medium businesses, and I'm sure that bringing my experience and my
designs to the platform of merch by Amazon will give an essential value to this project and the
customers will love them I have a KDP account with email XXXX@XXXX.com where you can see my
work and my skills, and to see also that I respect the term and services of Amazon creating new designs
and avoiding copyright and trademark It affords me the greatest pleasure when I think that I will be a part
of this project, and reading the TOS makes me feel that this is the partner with whom I want to work with
I can't wait to hear from you soon Thanks and do have a lovely day ?????: 15 ??I have a KDP account
with email XXXX@XXXX.com where you can see my work and my skills, and to see also that I respect
the term and services of Amazon creating new designs and avoiding copyright and trademark.I'm a
driven and flexible graphic designer with a proven record of delivering creative and innovative design
solutions.My experience aligns well with the qualification you are seeking, and I am confident I would
make a valuable addition at merch by Amazon.Over the last 8 years I have been able to work in different
industries with different languages (spanish, french, english, arabic) helping me to develop a variety of
skills.Hello, my name is XXXXXX , I am highly motivated learner and worker that loves

challenges.??2020
