Hi Ahmed, Thank you your email. It's been a while since we last met. I find your project on group behavior quite interesting! Winter has come, usually we go camping with our family, in Sakhair, and we spend whole day together, doing fun activities. There are a lot of activities to do there such as buggy riding, which I love doing my older Also, barbegue time is always fun. At night, we love gathering around the fire and telling scary stories. For example, if one of us starts telling a scary story another one tells a scarier one, and the rest of us will join in, we can't help it! What about you? What do you enjoy doing with your family? I'd love to know if your behaviour changes when you're with them. Write soon!
