

Turkey is a country of seas, charming beaches and diverse and wonderful landscapes, a country surrounded by seas on three sides: the Aegean Sea on the west, the Black Sea on the north and the Mediterranean Sea on the south. Turkey is characterized by its multiple climate as a result of its geographical location. In the Mediterranean, summers are hot and dry, and winters are mild to cool and humid. Among the historical monuments is watching mosques built of stone. It is important to know the names of the museums in this country, including the Hagia Sophia, the Kari Museum, and the Turkish Carpet Museum.
