My family lives in a small house.She prefers to read.She reads in the morning, in the afternoon and at night.I give all of the vegetables to mom and dad.I eat any vegetable but my sister eats only a few.Then my sister washes the dishes.And my sister reads.It's simple but pretty.It has a large garden.I like to work in the garden but my sister hates to work in the garden.They like to cook in our small kitchen.My family always eats breakfast and dinner together.We talk.We laugh.Mom works on the computer.
