

Assistant: That's correct! The UAE, and Dubai in particular, is known for its exceptional hospitality. The culture places a strong emphasis on welcoming guests with warmth and generosity. Offering large, lavish feasts is a common way to show hospitality, as it allows hosts to share their abundance with their guests. This practice is deeply rooted in the traditional Bedouin culture of the region, where hospitality was a crucial survival strategy in the harsh desert environment. Even today, this tradition continues to be a significant part of Emirati hospitality.
