

Sure, let's address each question in your assignment on the Principles of Management.

- Bargaining Power of Buyers**: Buyer concentration, availability of substitutes.
- Process Departmentalization**:
  - Advantages**: Effective in operational settings where processes are distinct, improving coordination and efficiency in each process.
  - Geographical Departmentalization**:
    - Advantages**: Allows for a focus on specific geographic areas, catering to local preferences and needs.
    - Disadvantages**: Can be costly due to the need for multiple regional offices and can lead to inconsistencies in policies and procedures.
  - Functional Departmentalization**:
    - Advantages**: Enhances specialization, efficiency, and expertise in each function.
- Bargaining Power of Suppliers**: Supplier concentration, the importance of volume to suppliers.
