

Al Kabsah "Food is the language of nature" Ali Ebn Zaid. The plan is to establish many restaurants in South Korea and Japan. The plan is to make Al Kabsah very popular in South Korea and Japan. The end goal is to spread the dish in at least ten cities in each target countries. Those restaurants are going to sell only Al Kabsah and nothing else. It has been known that food has spread all around the world without boundaries. This dish is Al Kabsah
