This event, organized by WHO, GIZ, HI and mhpss.net on behalf of the Inter-Agency Standing Committee Reference Group for Mental Health and Psychosocial Support, will launch and release an animated video tool (in English, with subtitles and sign language interpretation) to promote understanding and highlight the inextricable link and importance of mental health and psychosocial support in all phases of Disaster Risk Reduction (DRR) and Climate Change Adaptation (CCA) in contexts of climate-related hazards and crises.
