

Dear Madam I am Nouf Al-Raisiyah and I am writing to you to apply for the advertised position at Dutch Bros. Even if we are unable, we can take out a loan of approximately 3,000 Omani Riyals I am eager to contribute my experience and make a meaningful impact on this company. With more than 5 years of experience in the barista field, I succeeded in obtaining a certificate of promotion as the best barista. I was particularly attracted to this opportunity because it is the largest specialized coffee company here and aims to provide multiple types of coffee that appeal to different types and from natural, high-quality ingredients.
