

Once you enter the university you begin to live in a new world. You are in college to achieve your dream and achieve your professional goals, do not let shame win and you should encourage change, you'll see it brings you unforgettable experiences and friendships that will walk by you in one of the most important stages of your life. In addition, it is common to find collections of artistic, sporting or cultural practices. Although you should devote more hours to study than before, you should know that you will also gain experiences in hours of social events, because the university means a very active cultural life. You should know that there are many differences in the university
