

The Kingdom of Saudi Arabia is blessed with a significant wealth of natural resources, an Islamic, family oriented society and extraordinary opportunities for economic growth. Telecommunications and information technology will be updated and made available in urban and rural areas. The Kingdom's strategic position that connects the waterways of three continents, Europe, Africa and Asia, will make it a leading trading and transportation port for cargo from different countries across the globe. These improvements will continue to ensure that all pilgrims are well looked after when they visit. The People of Saudi Arabia's 2030 vision is largely based on the ambition, determination and talents of its people and their Islamic values. Housing and community development projects will provide a pleasant, secure and sustainable environment for the citizens of the Kingdom. An updated educational system will provide high quality learning and develop available talent and potential. Improved and updated services and facilities will attract small and large companies, interested in participating actively in a dynamic economy. Cultural and entertainment projects will include the establishment of libraries, galleries, museums and the organization of different types of events and activities.
