

Last week my family and I went to Al Khajoor Restaurant located in Birkat Al Moz to enjoy an iftar meal with my family. I would like to say that it was a wonderful experience because of the elegant design of the interior decoration of the restaurant, the wonderful classic atmosphere, and the cleanliness at its highest levels, in addition to the presence of a strong Wi-Fi network. The only minor downside is that it doesn't have a separate section for families and not having that makes it a bit noisy and crowded, but other than that everything was perfect.
