

Today , I will speak about my favorite season.The weather in winter is mostly cloudy, rainy and snowy,?  
and i love how the sky looks a lot.I also like how it is easier to warm yourself up during such  
atmosphere, by wearing more clothes and drinking warm beverages, such as : coffee, hot mocha, tea,  
hot chocolate, and many others.I was caught up between wanting to choose Spring or Winter, but in the  
.end, I chose winter
