

Madinat Al-Hareer, otherwise known as Silk City, is an innovative solution to the problems facing Kuwait. Taking its name from the ancient silk routes that traversed Kuwait, the ultimate aim of the project is to establish Kuwait's status as a commercial hub of the world, whilst providing habitation and a desirable lifestyle for the proposed city's 700,000 residents. The crown jewel of Madinat Al-Hareer will be the Burj Mubarak Al-Kabir. The city will also create around 450,000 new jobs. Silk City will never be you
