

an adventure with Ali's dad .Ali and his father were on holiday with Ali's best friend , Ahmed , while?
sitting outside the ski resort and gazing at the landscape .We swam in the Ice Lake , hiked Balu
Mountain and fed wildlife .Ali continually on arrival that year , heavy snow and frost were reported across
the country .Ali began to tell Ahmed about the last time they made was astonished at all of their
adventures .The chill I felt down my spine foreshadowed what developed after we left the terminal .A
while later , the gondola lift came to a halt ice had formed on the wire .People appeared as ants below
