

The animals are divided, with some supporting Snowball's plan and others siding with?? Napoleon. Snowball suggests building a windmill to create electricity.ex2.pdf -> Animal Farms.ex2

Chapter 5 Summary In Chapter 5, Mollie, the horse, stops working and breaks the farm's rules. She secretly talks to humans, takes sugar from them, and wears ribbons. The other animals see this and try to stop her, but Mollie doesn't care. The focus then moves to Snowball and Napoleon, who argue more than ever. He says the windmill will make life easier for the animals by saving time and reducing work. – .?:???Animal Farm
