

So, Khaled, are you happy with your job at the TV station
Khaled: Yes, very happy enjoy being out there
and talking to people. I was hoping to be a watch repairer you know, but my parents talked me out of it.
They said it wasn't a serious profession Well, I was going to be a dentist but luckily I changed my
mind. Khaled: I've been a reporter at this station for five years--since my internship. Usef: I've been working at
the bank since I left high school
