I cannot directly access external links or process PDF content from URLs. Therefore, I am unable to read the content of the PDF provided at `https://dspace.univ-eloued.dz/server/api/core/bitstreams/4eaa59ef-818c-4b65-99c0-e4db9aa27c83/content`. To summarize the text for you, please copy and paste the full content of the PDF directly into our chat. Once you provide the text, I will be happy to create a summary that meets all your requirements, including capturing the core message, key details, and main arguments, and strictly adhering to approximately 64% of the original text length.
