

Last June I traveled to Dubai with my family and we stayed there for nine days. On the first day we went to Dubai Mall and saw Burj Khalifa and the fountain. On the third day we visited some shopping malls such as Mall of the Emirates and Dubai Hills. From the fourth to the seventh day we went to Al Marjan Island to a beautiful resort there. I got a tan and returned to Dubai. It was one of the most enjoyable and wonderful trips. On the second day we went to the water park (Wadi Al Wadi). I swam and played in the sea games. It was one of the most beautiful adventures. I did a lot of things. We stayed there for two days .and the trip ended
