

Hi Fahd, I'm writing because I want to get in touch with the Omani side of the family. I just finished my degree in economics at North Dakota State University in Fargo. And is it true that everyone in Oman is really into soccer? My Aunt Hessa got your email address from your mom. Aunt Hessa says you're one of my cousins, and you're about my age – 23. Fargo is the biggest city in North Dakota, and I live there with my parents. Aunt Hessa says you live in Nizwa. Youssef
