

We decided to go camping in the beautiful Hajar Mountains in Oman. The Hajar Mountains offer stunning views with their towering peaks and rich greenery. We went hiking and exploring the trails, hidden waterfalls and stunning views. The trip was with stunning views of rugged mountains and beautiful valleys. We enjoyed traditional Omani cuisine such as grilled meat, rice and delicious desserts. The food during our camp trip was delicious as we cooked our meals over the campfire, which added a unique flavour. As for accommodation, we chose a tent, which allowed us to fully immerse ourselves in the camping experience. First, it allows you to get away from the hustle and bustle. To get there, we took a scenic road trip from the capital, Muscat. The fresh air and calm of the ocean were truly restorative.
