

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, paid an inspection visit to the Dubai Airshow 2025, accompanied by the country's leaders, to review the latest developments in the aviation and space sectors and to enhance the UAE's leading global position in this field. The exhibition contributes to strengthening the UAE's position as a hub for investment and diversifying income sources, and opens the door to building strategic partnerships.
