

Many young people traveling around the world are backpackers or students on a low budget. Today there are more than 4000 hostels in over 80 countries, and the Saudi Arabian Youth Hostels Association (S.A.Y.H.A) offers accommodations in 21 cities across the Kingdom. Some hostels are even inside old historic buildings, castles, and on boats. The accommodations in hostels are inexpensive because guests usually share rooms and bathrooms. Many hostels organize tours and fun activities. Some hostels also offer cooking facilities, such as a kitchen with pots and dishes. So youth hostels are the perfect solution for travelers without a lot of money to spend.
