

The Louvre Museum The museum is a place that displays ancient antiquities, works of art, and rare exhibits. While citizens of the European Economic Area can enter it for free. This is because it has a lot of unique exhibits, such as the Mona Lisa, the Venus de Milo statue, and the Great Sphinx of Tanis. The Louvre Museum has an important role because it is a place where civilizations and cultures from all over the world meet. A while ago, I watched some documentaries on TV about the most famous museums in the world. The Louvre Museum impressed me with the beauty of its exhibits. The Louvre Museum is located in the city of Paris in France. The museum also has many other paintings and sculptures. In addition to other Egyptian, Greek and Roman antiquities. The Louvre is also famous because it is the largest museum in the world. After that, it became an art academy.
