

Nawal: Thank you so much for this wonderful meal! One is a chocolate raspberry layer cake and the other is almond creme brulee. Fadwa: Would you like to try the grilled asparagus? It must've taken all day to make such a phenomenal spread. I don't think I've ever had such a gourmet meal. Nawal: No, really, I couldn't possibly eat more. Fadwa: My pleasure. It was no hassle at all. I whipped it up in no time.. Nawal: You are quite the cook. Nawal: Oh, no thanks. Fadwa: Are you sure?
