

Oral and written literature each have distinct characteristics and functions. ****Purpose and Function**** – ****Oral Literature****: Often serves community bonding, entertainment, education, and cultural preservation. – ****Written Literature****: Can reflect personal or broader societal issues but may not have the same immediacy or communal aspect as oral traditions. The storyteller adapts to the audience's responses.### 2.### 3.### 4.### 5.### 6.### 7.### 8.
