The important possession, which I think, is my personal laptop. It is my most important possession for a couple of reasons. First, I frequently use it for my research. For example, I have used it for projects to find data. On the other hand, it is used for communication. For instance, I usually use it for emailing to contact my friends and teachers, and I can also chat or video call via Skype through it. That is why my laptop is my most important possession
