

Friendship is a very beautiful thing and it is one of the things that Allah has blessed his servants with, to have a friend who shares their fears and makes them happy. Despite her positivity, she sometimes tends to postpone tasks, which makes her late in completing things. The first is Lama She has a sense of humor that always makes me optimistic and knows how to lift my spirits in difficult times. I have two friends with special personalities who fill my life with joy. The second is Mayar She is more serious and a very smart person.
