

Dear Rafef, I hope you are doing well. I wanted to share about my family's trip to Al-Soudah, a beautiful mountainous area in Saudi Arabia. It's a place with pristine nature and many fun activities. The weather is perfect for relaxing and escaping the crowds. We climbed mountains, rode the cable car, and enjoyed breathtaking views. The only downside was the long journey to get there. I hope we can visit Al-Soudah together sometime. Best wishes, Rifal
