

Abdullah Kareem, Times Tours, P.O. Box 232, PC. 765, Seeb Dear Sir, Following our telephone conversation, I am writing to apply for the job of tour guide with Times Tours. I really enjoyed telling people about the history and culture of our country I speak fluent Arabic. I live in Nizwa and know a lot about the interior of Oman. Once I was old enough, during my school holidays I helped the local hotel by taking small groups of people around the souk in Nizwa. I hope that by working for Times Tours I will get experience which will help me with my future studies in tourism.
