

dairy farm The farm currently has more than ten thousand cows, and by 2026, the farm will have a capacity of 25,000 cows. Animal welfare is of paramount importance to Mazoon Dairy, which invests in advanced cow cooling systems that control internal temperatures, along with a number of other facilities to ensure that the herd is not under stress. tahzaa alrieayat alhayawaniat bi'ahamiyat quswaa min sharikat muzun lil'alban, wahaa tustathmir fi 'anzimat tabrid albaqar almutatawirat alati tatahakam bidarajat alhararat aldaakhiliati, jnbaan 'iilaa janb mae eadam min almarafiq al'ukhraa lidaman eadam taearud alqatie lildaghta. waqad aistathmarat muzun aydaan fi 'ahdath baramij al'ieashat watawafur ziarat li'akhisaayiy shahir ealmyaan fi taghdhiat al'abqar mashhur ealmyaan lidaman alhifaz ealaa sihat al'abqar wa'iintajitiha. kama taema 'ajhizat all'irsal/ alaistiqlal almuthabitat hawl riqabiha aydaan ealaa muraqabat 'anmat altaeam walnawm lilta'akud min tawfir alraahat lilqatie fi jamie al'awqati.
