There is always one person comes to my mind when I'm askes who inspire me. My idol is prophet Muhammad (peace be upon him) Prophet Muhammad is a great figure in the world, and one of the most influential people that humanity has ever witnessed. His words and deeds greatly affected human thought and behavior throughout history. He was a religious teacher, a great father, a wonderful husband, a faithful friend, an excellent guide, social and political reformer, and the best companion, I love him more than myself and I am proud of being one of his followers.
