

DEAR ACDIMA BIOCENTER: I am writing to express my interest in applying for the vacant position at ACDIMA BioCenter. I am excited about the possibility of joining ACDIMA BioCenter and contributing to the development of innovative pharmaceutical products that adhere to the highest quality standards. Since August 2022, I have been working at Ram Pharmaceutical Industries Co, In the research and development department, where I have had the opportunity to analyze various pharmaceutical products using advanced techniques such as HPLC and UV Spectrophotometers. Thank you for considering my application.
