

Greet customers with a friendly smile and avoid sitting on the chair when they arrive. Check the expiration dates of pharmacy licenses and inform the employer accordingly. Respond to calls from the pharmacy owner and inform them promptly of any outpatient visits, whether in front of the pharmacy or during outpatient visits. Coordinate with the cleaning workers to conduct regular cleanings of the pharmacy. Inform the pharmacy owner of any customer requests for specific medications. Coordinate with the second branch to dispense and receive medications and record them directly in the WhatsApp group. Sell directly on the computer.
