

?Jana is walking in the park with her sister when they encounter a scary dog. One cat is taken away by someone named Shahad, so Jana takes their other cat, Laurence, to have lunch. Overwhelmed, they faint and wake up in a mental health hospital. They hear a dog barking and realize it is just their sister trying to scare them. Jana and her sister go to their room and falls asleep. They manage to defend themselves and escape .Another scary dog appears, but their cats attempt to rescue them.
