

Saudi Arabia has many natural resources, such as oil, gold and other valuable minerals. A high-quality educational system that meets the needs of the job market will provide Saudi professionals with the necessary knowledge and skills. Adapted from the text of the Vision Programs at <https://vision2030.gov.sa/en> and from the text that was drafted by the Council of Economic and Development Affairs as instructed by the Custodian of the Two Holy Mosques King Salman bin Abdulaziz Al Saud. Saudi Arabia is also blessed with a good location in between Africa, Asia and Europe – which helps trade, it also has a beautiful natural environment with a stable climate, which will allow us to develop tourism and attract visitors. The families of Saudi Arabia dwell according to Islamic values in a society. Families will receive all the help they need to raise their children. More events will help them develop their abilities. The country is rich in culture.
