

Hi,my name lina , iam 14 years old, iam from Algérie.my childhood memories were filled with joy, happines.My best memory was when .I traveled to spain with my family. I was six years old,and it was the best time of my life. I had so much fun and mede some of my favorite childhood memories . My dream joy is becomeea doctor because being a doctor means fixing pains and helping people feel better. Doctors save lives . They use science and kindness to make the world healthier
