

To: Maria Subject: Catching up Hello Maria, I've been meaning to write to you for ages, but I barely have time. I work late most of the time and on weekends, but it doesn't bother me at all. How did your exams go? I'm sure you did brilliantly as always! I can't believe we haven't seen each other since your wedding. When will you know your results? There was a lot to learn because you can't know everything, right? We really need to catch up!
