

A holiday is a day of relaxation. The holiday last longer vacation in Saudi Arabia . In the month of Ramadan, I went with my family to Mecca to perform Umrah for two days and then I went back to Riyadh. Only on this day people do not go to work There are kinds of holidays They are weekly, seasonal holidays. They were small waves suitable for swimming . We are going in holiday shopping or watch a movie or play in my mobile and Go on a picnic with family. I went to the Qassim with my family to visit my grandmother and Grandmother . The weather was very nice .
