

Study Skills– Semester 1 (2024–2025) 1 | More broadly, any skill which boosts a person's ability to study, retain and recall information which assists in and passing exams can be termed a study skill, and this could include time management and motivational techniques. Study skills are an array of skills which tackle the process of organizing and taking in new information, retaining information, or dealing with assessments. Study Skills–definition Study skills or study strategies are approaches applied to learning. They are discrete techniques that can be learned, usually in a short time, and applied to all or most fields of study. Introduction and pre–course assessment 1.1. Page 1.
