

In fact , this is very important topic to write about it. People have two different opinion about it.some peopel agree while others dis agree I strongly agree.I have my reasons to support my point of view First reason shopper is paradis ,shopper's paradise with a wide range of stores, restaurants, and enjoyable shopping experiences.For all the rasons i wrote above ,I can sum up my opinion as,I said befor.I agree with it however the topic is amtter of controversy.
