

It is the beginning of a new semester at college. We are also excited because a number of our faculties are introducing new programs into their departments. I would like to begin by expressing my appreciation and pride at being part of the Lang University family. We are happy to welcome the new faculty members that are joining us this year, but most importantly, we would like to welcome each and every one of you into the Lang University family. Over the last few years, Lang University has become one of the top universities in Canada.
