

And here we go speak I just want to explain something, this is very beautiful cross and all the pilgrims back in the days. Even from the second century, they took back home from their pilgrimage, which is the Jerusalem Cross, which means the four Gospels and the four corners of the earth coming, one in Christ. So these are cos exactly, and this is Christ in the middle, and the four Gospels and the four corners of the earth coming one in Christ. You know, we have a lot of views, we have comments, but people are shy or I don't know they don't know how to subscribe, so find a way to subscribe. So this is what we call the Jerusalem Cross, and this is the best gift that you can get from the Holy like here yepda. Who greatness for Asl go to bring your to drink of his face. It's very easy.
