

Before the 1900s, there were no special basketball uniforms. Basketball players didn't wear any type of uniforms. The first basketball uniform had padded pants or shorter pants. There were two types of T-shirts, one with sleeves, while the other was sleeveless. The entire uniform was made of heavy wool. Basketball uniforms have changed through the years. Basketball uniforms are very different. Today they wear long shorts and sleeveless t-shirts. The uniform is made of lighter polyester and nylon. They wear sneakers, this keeps basketball players cool as they run or jump. Each team has its own colours now. For example, Tokyo players wear black and white t-shirts and shorts. In future, these uniforms will change too. Players need uniforms that are practical and in fashion.
