

The Kingdom of Saudi Arabia is blessed with a significant wealth of natural resources, an Islamic, family oriented society and extraordinary opportunities for economic growth. The Kingdom's strategic position that connects the waterways of three continents, Europe, Africa and Asia, will make it a leading trading and transportation port for cargo from different countries across the globe. Improved and updated services and facilities will attract small and large companies, interested in participating actively in a dynamic economy. The People Saudi Arabia's 2030 vision is largely based on the ambition, determination and talents of its people and their Islamic values. Cultural and entertainment projects will include the establishment of libraries, galleries, museums and the organization of different types of events and activities. A diversified and renewed business environment will offer employment opportunities to all citizens and attract new investors. The Kingdom of Saudi Arabia will be a leading business hub with limitless opportunities for the development of new talent and creative enterprises. Housing and community development projects will provide a pleasant, secure and sustainable environment for the citizens of the Kingdom. Telecommunications and information technology will be updated and made available in urban and rural areas.
