

So, Khaled, are you happy with your job at the TV station
Khaled: Yes, very happy enjoy being out there and talking to people. I was hoping to be a writer you know, but my parents talked me out of it. They said it wasn't a serious profession Well, I was going to be a dentist but luckily I changed my mind.
Khaled: I've been a reporter at this station for five years—since my internship.
usef: I've been working at the bank since I left high school.
