

About us : POL & NILE is a company registered in the Arab Republic of Egypt, and its aim is to assist investors who plan to enter the Egyptian and Polish markets. Administrative assistance. Assisting in the process of establishing a new economic entity in the Egyptian market and the Polish market, in particular supporting the initial commercial activities and activities to link the company to the markets in a specific region. Assistance in selecting suitable locations and spaces for establishing warehouses and warehouses for your business and administrative offices. To ensure full support we offer in both countries: Assistance in registering a new economic entity. Assistance in selecting offices that provide distinguished accounting services. Assist in organizing and conducting public and necessary procurement.
