

PROJECT COORDINATOR | FINANCIAL & FIELD PROGRAMME EXPERIENCE PROFESSIONAL

SUMMARY Project and field programme professional with a BSc in Accounting and more than 10 years of experience across donor-funded development, women's economic empowerment, youth, education, child protection and community based programmes. Experienced in project coordination, financial and administrative follow-up, expenditure monitoring, reporting, partner coordination, data collection, beneficiary assessment, entrepreneurship, business planning and financial literacy training. Strong field experience across Jordan, including southern governorates, with proven ability to coordinate stakeholders, monitor implementation and support programme delivery under tight timelines. Seeking to contribute these transferable finance, project and field management skills to rural finance and financial inclusion interventions.
