

Sometimes famous people are vain. She was a big part of the new jazz genre and culture and had a diverse group of fans. It helped the European and American armies fight the Germans. Baker held concerts for European politicians and army members. She lured them in, promising an entertaining show. But Baker was always equipped with a small notebook at these concerts. Baker sorted the details and gave authoritative reports to the Resistance. The Germans knew who she was, but they didn't think she was smart enough to work for the Resistance. But Josephine Baker was an exception. When this happened, some French people formed a secret alliance. She enchanted them with her singing and dancing and got lots of applause. Some thought Baker's fame would be an obstacle. So when World War II started, she wanted to help the nation that had given her so much. In 1940, armed German troops entered Paris. It was called the French Resistance. They only care about themselves.
