

Etihad Airways has several key stakeholders that play vital roles in its operations and strategic direction. Employees A diverse workforce, including pilots, cabin crew, ground staff, and management, all contribute to the airline's operations and customer service. Investors and Shareholders Individuals and entities that invest in the airline, influencing financial strategies and corporate governance. Airline Alliances and Partners Membership in airline alliances (e.g., Etihad's partnerships with other airlines) enhances connectivity and service offerings. Here's a breakdown of these stakeholders: 1.2.3.4.5.6.7.8.
